

Take it for granted!

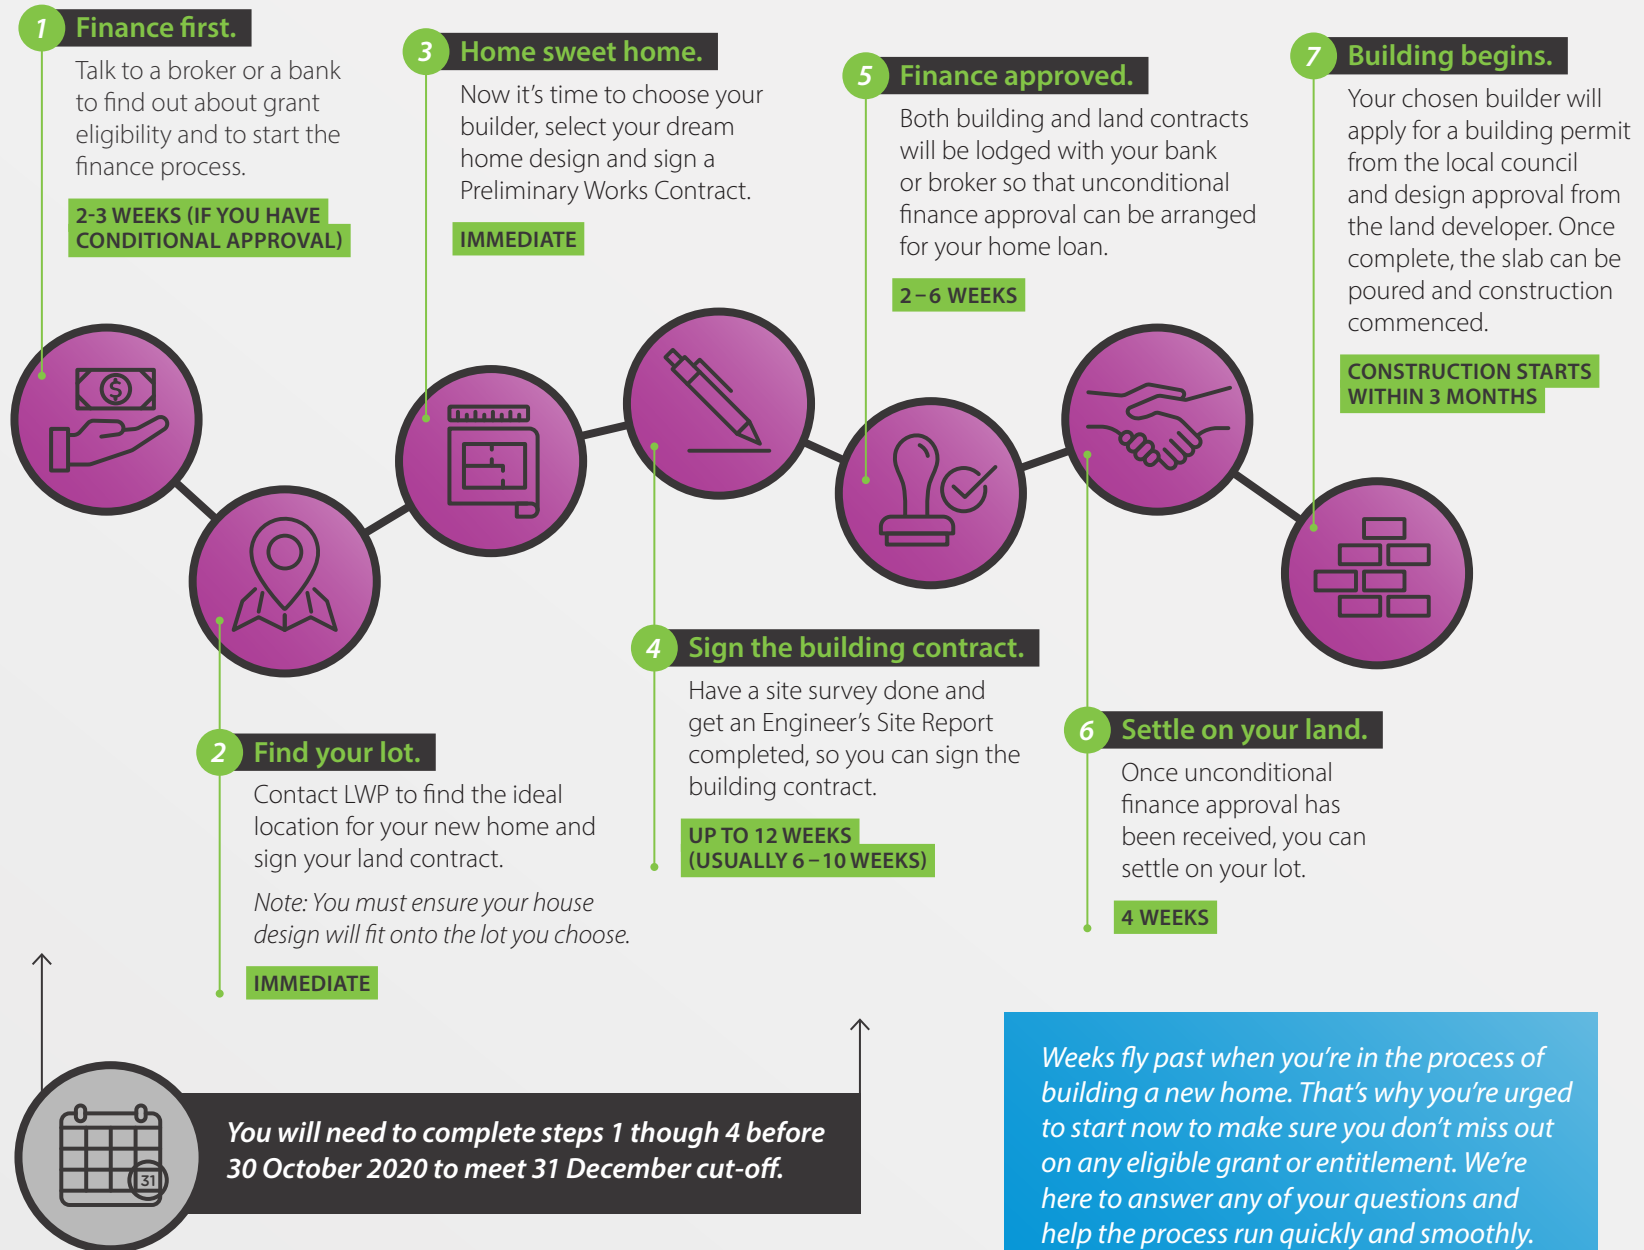

Seven steps to building a new home with Federal & State grants.

With up to \$55,000* in grants on offer, new homebuyers have never had a better time to build.

However, building a new home is a process that can take many months.

You should act now if you want to take advantage of the generous grants on offer before the 31 December deadline.

**Potential buyers should visit the relevant State & Federal Government websites for more information.*

Weeks fly past when you're in the process of building a new home. That's why you're urged to start now to make sure you don't miss out on any eligible grant or entitlement. We're here to answer any of your questions and help the process run quickly and smoothly.
