Connecting Broadband Internet, Phone and FOXTEL

WA

Your Community is serviced by the OptiComm super-fast Fibre to the Premises Network.

The OptiComm FTTP network provides Australia's fastest home internet. The network also delivers phone, free to air and FOXTEL services and no TV antennas or satellite dishes are required.

STEP ONE.

Register your property with the OptiComm Customer Service team on 1300 137 800 or online at www.OptiComm.net.au

STEP TWO.

Once payment for the connection fee has been processed, an OptiComm Customer Service Representative will contact you to schedule an appointment to complete your installation.

STEP THREE.

An OptiComm technician will attend at the agreed time to complete the installation of the OptiComm network Equipment.

STEP FOUR.

SEE OVER

Once the OptiComm network is installed, you can sign up for Internet, Phone and Pay TV by simply contacting one of the service providers shown on the flip side of this brochure or on the OptiComm website at www.OptiComm.net.au
